## Polite call for applications

October 29, 2024

Dear musicians (m/f/d),

We are a German live music agency and have been working as a permanent service provider for the German DSR HOTEL HOLDING for many years.

For the new A-ROSA Lago di Garda, Via del Panorama, 47, 25087 Salò BS, Italy, we are employing a team of musicians (m/f/d) for regular bar music in the large bar of the A-ROSA Lago di Garda together.

We are looking for bar pianists with and without singing who can master both the Italian repertoire and the normal international bar music program. We are also looking for guitarists who sing along with their guitar playing.

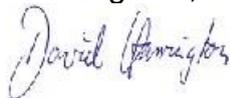

If you are interested, please fill out the attached WORD document and send it by email to [david@harrington-productions.de](mailto:david@harrington-productions.de). Please add a photo of yourself as an attachment to the email as a separate file (jpg or png). You can see examples [here](#).

Please send us your WORD application with a photo by email by **November 15, 2024**.

We will start with regular live music from April 2025 to September 2025. But there will also be a reduced live music program in the off-season.

We look forward to receiving your application with the WORD document and a photo as a file (jpg or png). We will react to your application after November 15, 2024.

Best regards,

David Harrington, M.A.  
Managing Director
